DEPUTY SEC. 39613 8-AUG 1951 HEALTH DEPARTMENT

Sir,

Subject: LAND ACQUISITION: (South Kanara)--Mangalore taluk--Tenka Ullipady village--S.Nos.37/9, 37/11B etc for the purpose of water supply to the Mangalore Municipality--draft withdrawal notification--submitted.

Ref: 1.From the Government G.O.Rt.No.497 Public works department dated 2.5.1950.
2.From the Government G.O.Rt.No.306 Health department dated 22.6.1951.

The draft 4(1) notification in the case was approved in the G.O first cited above and the draft declaration under section 6 of the Land Acquisition act was approved in the G.O cited second.

2.The Executive Engineer Public Health Division R.S.Puram Coimbatore states that the acquisition of lands requested for is not necessary at present and that a draft withdrawal notification may be submitted.

3.The Land Acquisition Officer states that no plots in regard to which acquisition proposals have been submitted have been taken possession of officially although the parties had given their written consent, statements agreeing to the entry of the Engineering staff into the lands pending the passing of the award. The Engineering staff are reported to have stated work originally on some of the plots and it is possible that some compensation may have to be paid for the damages suffered by the parties concerned. The Land Acquisition Officer reports that he will investigate into this in detail at the appropriate stage after the publication of the draft withdrawal notification. I submit herewith the draft withdrawal notification under section 48(1) of the Land Acquisition act which may be approved and ordered to be published in the Fort St.George Gazette. A separate report will be sent in due course regarding the payment of compensation if any that might be due to the interested parties for the damages sustained by them.

Yours faithfully,

For Collector.

In this office letter 4803.PWW/51-2 dated 7-11-51 to Government sent through the Board of Revenue, the withdrawal of acquisition proceedings was recommended, as there was no need for these lands, consequent on the change of source from Gurpur to Nethravathi, proposed by me. This proposal has since been approved by Government in G.O.32 Health dated 3-1-52, copy communicated by Government direct to the Collector of South Kanara.

This office letters 3655 PWW/51-1 dated 3-8-51 etc., copies of which have been called for by you contain only a technical survey of both the sources justifying a change over to the new source. This proposal has been approved by Government as stated in the previous

From the Board of Revenue, Ref.I.6627/51-1 d/10-9-51.

In his letter Roc. 1534/D1/51 dated 21-6-1951 the Land Acquisition Officer, reported that the Assistant Engineer (Public Health) had made him to understand that the scheme of having the water supply centre at Tenka Ulipady village ~~x~~ had been finally dropped on technical grounds and solicited for ~~xxxxxxx~~ instructions as to how he should proceed in the ~~xxxx~~ matter. I thereupon addressed the Executive Engineer, Public Health Division R.S.Puram Coimbatore, as to whether the above information was correct and whether the Land Acquisition Officer might be requested to submit a Draft withdrawal notification. In his letters Nos. 203 Rev. dated 4-7-1951 and 204 Revenue dated 6-7-1951 the Executive Engineer, Public Health Division R.S.Puram Coimbatore, informed me that the acquisition of land applied for already was not necessary and that the Revenue Divisional Officer, might be asked to send a draft withdrawal notification and the fact intimated to him. Subsequently the Sanitary Engineer to Government also informed me that there was a proposal to modify the sanctioned scheme for providing water supply to Mangalore and that the acquired for the scheme might not be required at all. He requested that the further proceedings regarding the Land Acquisition might be deferred. As the plots had not been taken possession of and the same were not required for the purpose of the water supply scheme to Mangalore Municipality the withdrawal notification was submitted to Government with my letter cited
